***Voting in Person when an application for a Mail-in ballot has been submitted**

If I have applied for a Vote by Mail ballot and I want to vote in the Precinct or at Early Voting in-person, what should I expect?

Expect to be delayed. Voters who have an existing application for a ballot on file, whether Vote by Mail ballot or Absentee ballot, go to the check-in table as usual. They will then be sent to the Warden's table. The Warden must call the Town Clerk's Office so we can reject your requested mail-in or absentee ballot *before* you can vote in person. The Warden must fill out an Authorization to vote form for this change. The process will take over 5 minutes.

We urge you to trust the Mail-in process, and stay safe. Your Mail-in vote will be counted on Election Night and will be part of our results published that night. Please see the FAQ sheet on the Town Clerk's website for answers to more questions related to this issue and the November 3rd State Election.
